A. School Mission

St. Paul is a faith community dedicated to providing a quality Catholic education inspired by the living word of Jesus. In partnership with the home, parish and community, we nurture, support and celebrate the spirit of each child.

School Vision

In the Catholic community of St. Paul School, excellence is achieved through meeting the needs of all learners.

School Motto

All are Welcome

Context for the above information

- In 2019 the provincial government introduced a new system of measuring school, district and provincial educational effectiveness. The previous system was called the Accountability Pillar Report (ACOL). It has been replaced by Assurance Measures (AEAM)
- Some of the measures have been replaced with new ones, while some have remained the same.
 - Those that have not been measured for more than three years will have n/a in the Measure Evaluation columns
- The table above shows how we as a school have done compared overall achievement
- * Supplemental Assurance Measures (AEAM)
 - In addition to the required AEAMs, Alberta Education provides results for a number of supplemental measures that school authorities can use for the education plan and Annual Education Results Report.
 - Safe and Caring
 - Program of Studies

D: Administrators' Message

This plan is the result of teachers, parents, support staff and administrators working collaboratively. Our goals are to enrich the lives of the children in our care, emotionally, socially, academically and religiously.

St. Paul Elementary School strives to provide its students with high quality Catholic education. We offer a variety of programs designed to meet the unique learning needs of our students: Intensive literacy and numeracy support, English Language Learner support, French as a Second Language, First Nations education and traditions infused into the everyday life of the school.

Programs such as these would not be possible without the hard work and support of our students, parents, parish and staff. To all those who make a difference in the lives of our children, we say thank you. Thank you for all your hard work, creativity, and enthusiasm for learning.
